Never mix business with pleasure... A physical therapist for successful Rugby team, the Strathstow Sharks, Ashley's golden rule is never to mix business and pleasure. She loves her job and the guys she looks after, and doesn't want to jeopardise her place with the team. As nicely put together as her charges are, she's never found herself remotely tempted. Until now. Harry James, the team's newest prop gives her butterflies in her stomach every time she has to treat him, and her fantasies involving his hard, muscled body and sinful lips keep her hot and bothered at night. Luckily, he shows no sign of having noticed her attraction, and hasn't shown any interest in her... She's been his from the moment he saw her... Harry James marked the pretty little physio the first day they met. For the last year he's been biding his time, and trying to get her attention. So much so, it's gained him a few nicknames in the squad. Not that anyone would dare tell her. When the Sharks win big on Harry's birthday, can he stop at claiming a birthday kiss, or will he want everything she has to give?
