Do you find yourself going through the motions but feel you lack direction and purpose? Have you come to believe you'll never achieve your dreams or see your desires fulfilled?

If you've got questions -- the Bible has answers. Within its pages are the secrets to achieving a strong marriage, parenting with wisdom, influencing others positively, and the formula for attaining financial freedom, building strong friendships, and finding lasting joy. It even contains the secret to living long and healthy.

Since success and contentment eludes so many, perhaps the missing piece is wisdom. The book of Proverbs was written by King Solomon, who was the wisest and richest man ever to live. His wisdom gives us the secrets to living well. Wisdom isn't the same as information. Most of us have enough of that. But what many are missing is the right kind of information that leads to knowledge, and the right kind of knowledge that leads to wisdom. The Bible tells us that wisdom is the **principle** thing; therefore it directs us, get wisdom!

Getting wisdom will take care of ALL your problems because every problem you have is a wisdom problem. Wisdom gives you the ability to see through the fog to locate the solution. Once you open up your life to wisdom and begin to operate within it, you won't feel the need to be continually anxious about your future. Wisdom liberates you from depressive strongholds and allows you to live the life Christ died to give you. So stop looking for fulfillment in things, position, and people -- *and pursue wisdom*. She will reward you richly when you do. The Bible promises it!
