Having realized that fashion design may not be the best profession for her, Isabel Bookbinder has made another career move - this time, into the world of wedding planning! She's still the ditzy, adorable heroine that we love, and her early misadventures include brides being delivered to the wrong ceremony, brides not actually turning up at all – that sort of thing! But despite all that, she is really beginning to get quite good at her job. She's landed a big celebrity client, and she's moved in with her perfect lawyer boyfriend, Will - and this time, it's for good. So when her best friend gets engaged to her brother, it seems like the universe is finally aligning in Isabel's favor - that is, until Will becomes increasingly reluctant to discuss their future...

Will Isabel be able to pull off the wedding that could make or break her career? Can she ever measure up in her father's eyes? And will she ever have a wedding day all of her own?

With her characteristic humor, charm, and tendency to stumble into sticky situations, Isabel Bookbinder is an irresistible heroine you're sure to fall in love with.
