James Buhler, David Neumeyer

Hearing the Movies: Music and Sound in Film History James Buhler, David Neumeyer

Hearing the Movies, Second Edition, combines a historical and chronological approach to the study of film music and sound with an emphasis on building listening skills. Through engaging, accessible analyses and exercises, the book covers all aspects of the subject, including how a soundtrack is assembled to accompany the visual content, how music enhances the form and style of key film genres, and how technology has influenced the changing landscape of film music.
