Slavery's Exiles: The Story of the American Maroons Sylviane A. Diouf

Over more than two centuries men, women, and children escaped from slavery to make the Southern wilderness their home. They hid in the mountains of Virginia and the low swamps of South Carolina; they stayed in the neighborhood or paddled their way to secluded places; they buried themselves underground or built comfortable settlements. Known as maroons, they lived on their own or set up communities in swamps or other areas where they were not likely to be discovered.

Although well-known, feared, celebrated or demonized at the time, the maroons whose stories are the subject of this book have been forgotten, overlooked by academic research that has focused on the Caribbean and Latin America. Who the American maroons were, what led them to choose this way of life over alternatives, what forms of marronage they created, what their individual and collective lives were like, how they organized themselves to survive, and how their particular story fits into the larger narrative of slave resistance are questions that this book seeks to answer. To survive, the American maroons reinvented themselves, defied slave society, enforced their own definition of freedom and dared create their own alternative to what the country had delineated as being black men and women's proper place. Audacious, self-confident, autonomous, sometimes self-sufficient, always self-governing; their very existence was a repudiation of the basic tenets of slavery.

Lillian Albrecht:

People live in this new morning of lifestyle always try to and must have the free time or they will get lots of stress from both everyday life and work. So , when we ask do people have free time, we will say absolutely of course. People is human not really a huge robot. Then we inquire again, what kind of activity have you got when the spare time coming to you of course your answer will probably unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative in spending your spare time, the particular book you have read is actually Slavery's Exiles: The Story of the American Maroons.

Ruby Martinez:

Are you kind of active person, only have 10 as well as 15 minute in your day time to upgrading your mind skill or thinking skill even analytical thinking? Then you are receiving problem with the book as compared to can satisfy your limited time to read it because all of this time you only find e-book that need more time to be study. Slavery's Exiles: The Story of the American Maroons can be your answer because it can be read by anyone who have those short spare time problems.

Ruth Zimmer:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Slavery's Exiles: The Story of the American Maroons can make you really feel more interested to read.
