Ghosts and Spirits - Insights from a Medium Rob Gutro

2nd Edition: *Revised in 2016* Learn the difference between a ghost and spirit, the energies that drive them and enable them to communicate with the living. Learn why some stay behind. Follow the author on paranormal investigations and encounters with both entities- even his own dad and his dog who proved they are still here. Read about historic haunted homes and ghost walks the author experienced and personal hauntings encountered by Rob and others. Rob was inspired to write this book after a puppy he had was tragically killed in an accident. The puppy's spirit returned many times in different ways. Learn some ways people and pets can give you signs: from a heart of flowers, to music, electricity, apports, appearances, temperature changes and more. Rob wrote this book to offer comfort for anyone who lost someone dear to them, and provide proof that our departed loved ones are still around us, guiding, influencing, protecting us and helping teach us lessons. The author lived in a haunted house in college (by accident). Read about the ghostly face of a cruel southern General on a building in Savannah and the ghostly actor from a Tombstone theater. Also available by Rob Gutro: Lessons Learned from Talking to the Dead, Pets and the Afterlife, Pets and the Afterlife 2.
