KEEPING IT SUPER SIMPLE in Network Marketing: What you're NOT taught from Stage! (KISS) (Volume 1) Mr Mark A Jackson

Hands down, this will be the very FIRST book everyone needs to read on Network Marketing! This book is specifically for the NEW or STRUGGLING network marketer out there. Even for that person that is THINKING of joining a direct sales company, but is in that "research" phase of their journey. It is my opinion, that this is the greatest industry in the world for the average John, Joe or Mary to earn extra income for themselves. But, in my 30+ years of Experience, Mentorship, Successes, Failures, Philosophies and Leadership, I've learned several key things that distributors of these companies MUST know before they sign that dotted line to join! If you're already involved in a direct sales company, or MLM (Multi-level Marketing), then stop what you're doing right now. Start reading this eye-opening book immediately! I've learned it's not only the tangible things you need to know. It's the INTANGIBLE things that make the biggest difference in your success or failure. Never let your definition of success be based on you promoting or ranking up to, Double Ruby Triple Diamond Senior Vice President Regional Director of the Universe! LOL! Stop it. Not only does this book explain principles where an 8 year old child can understand, but I will share with you what I wish I was told from the very start of my network marketing journey. Learning the good, the bad, the ugly, and the great of this industry, gives you a much better SHOT to create that Financial Relief income over 95% of people in the industry never achieve on a residual basis. Most distributors have never even earned an extra \$500 - \$1,000 per month "residually." That life changing passive residual income often spoke about, seems to escape most distributors, and they can't seem to figure out, "why?" In this book, you will learn the first 5 things that you absolutely need to know, upfront and from the start, that I wish I had known and realized when I first launched my business. You will also realize the importance of KISS. This is an acronym for, KEEPING IT SUPER SIMPLE...in Network Marketing. Congratulations, I am your KISS Coach! Please enjoy the first book in my KISS Series. MarktheProJackson.com
