A series of explosions took out the royal motorcade and threw the country of Lydia into chaos. Princess Anastasia missed her limo, and doesn't know what has become of the rest of her family. Whisked away from her native country for her protection, Stasi is dismayed that her life is now in shambles. But at least she's not alone. Kirk Covington pledges to keep her safe. He's a royal guard...and the man she's spent years blaming for her brother's disappearance. Now she'll have to trust him with her life—and her heart—in order to regain the throne.
