Renegades: Out of Time (The Renegades) (Volume 3) Kal Spriggs

The Renegades are running out of time. Captain Mike Noguchi has led his band of Renegades out of the heart of an interstellar war, forged them together into a privateer crew, and has learned of an ancient alien facility that may hold clues to a conspiracy which seems bent on his crew's destruction. But that facility is on a planet conquered by the Chxor. The Renegades will need to slip across the battle-lines, infiltrate a conquered world, and find their way inside a facility which has kept its secrets for untold generations. Along the way they'll need to fight genetically engineered monsters, a psychotic military commander, and an entire army of Chxor. Yet even if they manage that, some secrets may be too much for them to handle. Their enemies have already done terrible things with the knowledge found there... can the Renegades survive secrets from outside of time?
