Adobe Creative Suite 3 Bible Ted Padova, Kelly L. Murdock

- This is one of the few books to cover integration and workflow in depth between Photoshop, Illustrator, InDesign, GoLive, Acrobat, and Version Cue
- Graphic design firms, ad agencies, and publishing houses typically use a collection of programs to build their designs for print or the Web, and this book shows readers how to effectively manage that workflow among applications
- Provides solutions for issues that working designers or design students face every day, including developing consistent color-managed workflows, moving files among the CS3 applications, preparing files for print or the Web, repurposing documents, using CS3 with Office documents, and more
