## **Anchored in the Storm: Pursuing Christ in the Midst of Life's Trials** Adam Holland

On January 2, 2014, Adam Holland woke up on the floor of his bedroom. Scattered on the floor around him were objects from his nightstand: a glass of water, clock, watch, lamp—all on the floor. He was in a haze but still knew that something wasn't right. Adam hurriedly picked everything up, tried to dry the carpet from the water, and then went back to sleep. He later woke up with a vague idea of what had happened in the night—and also with a mild black eye and bruised face. Thus started the trial of—and for—Adam Holland's life. After discovering that Adam had a brain tumor, his doctors wanted to do further testing. The final blow came when one of the neurosurgeons walked into the room where Adam and his parents were waiting and told them that the tumor was malignant. He had cancer. Out of Adam's cancer came *Anchored in the Storm*, this devotional book for those who are suffering. Distress and anguish take on many forms, including not just physical but also emotional, economic, and relational. The goal of this book is to encourage and exhort your faith in Christ during the hardest, darkest, and most difficult times you may ever face in this life. Adam Holland shared his own story so that you would get to know, at a deeper level, your Creator and the glorious purposes and incredible destiny He has for you.
