*There's hidden places all over this land-old, old places. Places with a chain for them to chain up the wolf when it's time.*

**A bone-chilling tale of werewolves and love, set in medieval Scotland**

A mysterious young man has come to a small Highland town. His talent for wood carving soon wins the admiration of the weaver's daughter, Maddie. Fascinated by the silent carver, she sets out to gain his trust, only to find herself drawn into a terrifying secret that threatens everything she loves.

There is an evil presence in the carver's life that cannot be controlled, and Maddie watches her town fall under a shadow. One by one, people begin to die. Caught in the middle, Maddie must decide what matters most to her-and what price she is willing to pay to keep it.
