Crisis communication will never be the same. New and rapidly emerging technologies create instant news and instant networks and communities. The old days of simply responding to the media are gone forever. Organization leaders and communicators need to meet the new demands for instant, direct and transparent communication. These changes are illustrated through numerous telling case studies and examples. The first edition, published in 2002, helped spark a revolution in how organizations prepared to meet major crises. This edition includes new chapters on "Blogwars" and "Ultimate Communicator."

William Johnson:

Many people spending their period by playing outside together with friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by looking at a book. Ugh, you think reading a book will surely hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Mobile phone. Like Now Is Too Late 2 which is keeping the e-book version. So , why not try out this book? Let's see.

Edwina Hinkle:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Now Is Too Late 2 can make you sense more interested to read.
