The Young Governess (Past Venus Fantasy S.) Phoebe Gardener

The Young Governess is the very first title in a new series: Past Venus Historical. At first Kate Spencer's new job seems perfect for a young spinster with ambitions of matrimony: governess to a young girl in the large country house of rich aristocrats. Appearances are deceptive, however: she is caught in a fast-tightening net of sexual exploitation and physical humiliation at the hands of her ruthless employers. Kate realises that she must outwit the decadent Sir Bradley Fordham and his scheming wife Alice if she is not to be prostituted and sold as a sex slave. With illustrations by Michael Faraday.
