Cured!: Proven Help for Alcoholics and Addicts Dick B.

This is a book for those who want to be cured of alcoholism and of addictions. Permanently! The author has spent 13 years researching the claims, program, and practices of the A.A. Pioneers who declared emphatically they had been cured of alcoholism. Only later did one of the founders, cheered on by therapists, treatment programs, and even religious leaders, say there was no cure - only a daily reprieve. The author demonstrates the original fact of cure. He points to confusing definitions of alcoholism that have obfuscated the real cure - reliance on the Creator. He rejects the "goofy gods" of recovery and urges the availability of God's power today.
