Domestic violence has been increasing, regardless of nationwide polls and pacifying statistics. Some may not report the abuse, and a disproportionate number of victims are depending upon a “Restraining Order” to elucidate such an undetected form of mental illness. In this Workbook, you and I will take on this mental illness like never before. Contrary to the traditional analysis and conception that incline to see it as just a problem, there’s more. I’ve been in domestic violence programs that are effective only on paper and while in class. Consequently, intervention can no longer be the brightest idea when there’s an imperative prognosis. We’d like to believe that by discussing what has occurred will change things. Until now, here’s a mental illness that must be dealt with by going to the root.
