## **Facility Planning and Maintenance. Topic 6: The People Side Of Facility Management (The International Sport Administrators Series)** Lancelot J Irving BA MBA

A sporting facility may be just a building but it is built by people for people and operated by people. This chapter examines the various types of roles that may be found within a sporting facility – everyone from the facility manager, site overseers, user groups and their representatives and other stakeholders are discussed.

Within this chapter the “10 Commandments” of usage policy are explained.
