## **Love, Family, Faith in God, and Hope...hoping for a miracle**

I can see my dad in Heaven with a big smile on his face, his beautiful blue eyes sparkling, and a big fish on the end of his pole. I was faced with a dying parent. My dad had a terminal illness. His love of his family, life and faith in God gave him the strength to fight for his life. If you are faced with a dying parent, trust in yourself and follow your feelings. Never give up on miracles.

I know God was waiting to welcome my dad to Heaven, and I know that ray of sunlight through the clouds I see, was the path my dad took, which now warms my heart whenever I see it with all the beauty of colors and brightness of light.
