Making the Play (Hidden Falls) T. J. Kline

T.J. Kline launches a brand new series with the charming story of a NFL player who finds love when he least expects it...

Grant McQuaid has dedicated his entire life to his football career. Now an injury threatens his place on the team and he's forced to return home to rehabilitate. But when he meets his "biggest fan," a precocious, blue-eyed, hearing impaired boy named James—and his beautiful mother, Bethany—Grant begins to question whether football is the future he still wants.

Bethany Mills has been doing just fine since her husband walked out on them... and she definitely doesn't need another man to disappoint her—or her son. But when James runs into his hero at the park, Bethany admits there is a void in her son's life that she just can't fill. Her attraction to the handsome football star is undeniable, but a man in the limelight is the last thing she wants for herself, or James.

Grant doesn't want to subject Bethany to the chaos of dating a professional athlete. But the more time he spends with her and James, the harder it is to resist making a play for her heart...

From reader reviews:

Marina Rutt:

Book is to be different for every single grade. Book for children until eventually adult are different content. As we know that book is very important for us. The book Making the Play (Hidden Falls) seemed to be making you to know about other know-how and of course you can take more information. It is quite advantages for you. The book Making the Play (Hidden Falls) is not only giving you more new information but also to be your friend when you truly feel bored. You can spend your personal spend time to read your e-book. Try to make relationship using the book Making the Play (Hidden Falls). You never truly feel lose out for everything when you read some books.

George Sanders:

As people who live in the actual modest era should be update about what going on or data even knowledge to make all of them keep up with the era that is certainly always change and advance. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to a person is you don't know what type you should start with. This Making the Play (Hidden Falls) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Anna Sanders:

Information is provisions for anyone to get better life, information these days can get by anyone on everywhere. The information can be a know-how or any news even a huge concern. What people must be consider when those information which is from the former life are challenging to be find than now is taking seriously which one works to believe or which one typically the resource are convinced. If you obtain the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Making the Play (Hidden Falls) as the daily resource information.

Robert Beaubien:

In this period of time globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher which print many kinds of book. The actual book that recommended to your account is Making the Play (Hidden Falls) this book consist a lot of the information in the condition of this world now. This book was represented how does the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. The writer made some study when he makes this book. Honestly, that is why this book ideal all of you.
