The Evolutionary War (The Champion Adventure Series) Ronald Eugene Clark

Ten years have passed since Almost Eternity ended and Luc has two twin boys with Angela and is starting to be identified with his new multinational conglomerate company. The Eastern Federation's leadership tries to assassinate him and his family and Luc retaliates in conjunction with the Joint Chiefs. He receives a commission as a General in command of a new military branch, Special Operations. The attacks keep coming and force Luc to take deadly action. Meanwhile, he is leading the world to a moneyless society. That makes him the enemy of other billionaires who are not yet ready to change to the new economic model. Luc is now mortal and can be "damaged", so he has to use all of his vast resources just to survive to protect his family, friends, and country.
