Arizona Firestorm: Global Immigration Realities, National Media, and Provincial Politics

In 2010, the governor of Arizona signed a controversial immigration bill (SB 1070) that led to a news media frenzy, copycat bills in twenty-two states, and a U.S. Supreme Court battle that put Arizona at the cross-hairs of the immigration debate. *Arizona Firestorm* brings together well-respected experts from across the political spectrum to examine and contextualize the political, economic, historical, and legal issues prompted by this and other anti-Latino and anti-immigrant legislation and state actions. It also addresses the news media's role in shaping immigration discourse in Arizona and around the globe. Arizona is a case study of the roots and impact of the 21st century immigration challenge. *Arizona Firestorm* will be of interest to scholars and students in communication, public policy, state politics, federalism, and anyone interested in immigration policy or Latino politics.
