Gardens of Beauty: Gardens of the Borromeo Islands Paolo Pejrone

A tribute to the beauty of the famed Italian gardens of Isola Bella and Isola Madre, two precious jewels of Italy's Lake Maggiore.

The islands of Isola Bella and Isola Madre have belonged to the Borromeo family since the sixteenth century. From the very beginning, this noble Italian family aimed to transform these fishing islands into small earthly paradises boasting lush gardens.

With stunning photography and informative texts, this book explores the enchanting scenery of both islands. Named after Countess Isabella Borromeo, Isola Bella is an attractive terraced pyramid of formal gardens with baroque scenery of monumental stairs, statue-topped balustrades, and obelisks. Isola Madre, the largest of the lake islands, has a beautiful Renaissance palace surrounded by a botanical garden, famous for its variety of flowers and plants due to the mild climate. The exquisite flora includes azaleas, rhododendrons, magnolias, ancient camellias, water lilies, lotus flowers, and Mediterranean citrus plants.

So magical that they even once fascinated the French Emperor Napoleon Bonaparte, the Borromeo Gardens are breathtakingly represented in this lavishly illustrated tome.

From reader reviews:

Aurelio Ashley:

What do you with regards to book? It is not important to you? Or just adding material when you require something to explain what your own problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is make one feel bored faster. And you have time? What did you do? All people has many questions above. They need to answer that question mainly because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need that Gardens of Beauty: Gardens of the Borromeo Islands to read.

Kristen Mazur:

In this 21st one hundred year, people become competitive in every single way. By being competitive at this point, people have do something to make them survives, being in the middle of the particular crowded place and notice through surrounding. One thing that occasionally many people have underestimated that for a while is reading. Sure, by reading a reserve your ability to survive raise then having chance to stand than other is high. For you personally who want to start reading a new book, we give you this Gardens of Beauty: Gardens of the Borromeo Islands book as beginning and daily reading reserve. Why, because this book is more than just a book.

Carolyn Foley:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book which improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want have more knowledge just go with education and learning books but if you want really feel happy read one along with theme for entertaining for example comic or novel. The actual Gardens of Beauty: Gardens of the Borromeo Islands is kind of guide which is giving the reader erratic experience.

Willie Isaac:

Reading a book tends to be new life style on this era globalization. With examining you can get a lot of information that could give you benefit in your life. Using book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story or perhaps their experience. Not only the story that share in the books. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this Gardens of Beauty: Gardens of the Borromeo Islands.
