## **Jan Vermeer van Delft (170589)** Jan Vermeer

With Rembrandt and Frans Hals, Johannes (Jan) Vermeer ranks among the most admired of all Dutch artists, but he was much less well known in his own day and remained relatively obscure until the end of the nineteenth century. The main reason for this is that he produced a small number of pictures, perhaps about forty-five (of which thirty-six are known today), primarily for a small circle of patrons in Delft.
