The Demise of Julie Snow: A Cheating Wife's Journey from Innocence to Submission (Down the Dark Path Trilogy) JJ Stuart

Twenty-four-year-old Julie Snow isn't ready to do what Brad has asked. Not with a group of men she doesn't know while she is tied to a table. Not yet at least. Flustered that Brad has dismissed her fears, Julie turns to Brittney for advice but Brittney's suggestion brings little comfort. If Julie wants to join the Bondage Club with Brad, then she will have to follow the steps of the initiation. She could use her safe word. That would stop everything, but Julie doesn't want to do that. She wants to please her Dom, and if Brad's fantasy is to see her bound and tied to a table while strangers have their fun, then she is willing to do it. A submissive always does her best to please her Master. Even if that means enduring a little shame and humiliation. Julie just wished she wasn't so nervous. The Demise of Julie Snow is the concluding story in the Down the Dark Path Trilogy. Follow her journey from an innocent housewife, looking for a little fling, to a life as a submissive pet. What will she find at the end of her dark journey? Beware where you run little rabbit, for some paths have snares ready to catch the unwary. Will Julie embrace her new lifestyle or try to escape back to a world of innocence? Maybe it's already too late to turn back. As Julie nears the end of her journey, what will she find? What does anyone find at the end of the dark path? Wouldn't you like to know...
