What would you see if you sat at the edge of a tidepool, looked into the water and watched the changes taking place in this little world? What life would you discover there? In a charming hand-sized book, Anne Hunter illustrates the creatures that live in and around a tidepool, and describes each animal's characteristics and habits. The gorgeous artwork and simple sense of wonder will inspire children to explore their environment. Fans of Hunter's two books, **WHAT'S IN THE POND?** and **WHAT'S UNDER THE LOG?** will want to add this new title to their collection.
