We crave what we can't have...

A woman on the rise...

Head chef Moneka Hart is finally opening her own restaurant. All is going well... except for having to deal with her stubborn, sexy-as-hell contractor Cole Saunders.

A man with a mission...

Cole's utterly frustrating, completely irresistible client is driving him crazy. He wants to show her exactly what she does to him - until they're both exhausted with pleasure.

A night to remember...

When Moneka and Cole finally surrender to passion, they quickly realize once is not nearly enough. But life has a way of complicating things, and their could-be-relationship has just crossed the line into eyebrow-raising territory. Will one amazing night be all they ever have, or can they find a way to bridge the gaps between them?

This is a standalone novel with no cliffhangers that will satisfy your deepest cravings for sizzling romance.
