## **Long March to Freedom: The True Story of a Colombian Kidnapping** Tom Hargrove

Running late for work one morning in September 1994, Tom Hargrove, communications director for an international agricultural aid organization in Cali, Colombia, was mildly annoyed when he spotted a roadblock, or retén, manned by soldiers in fatigues. He chafed at the delay, but told himself that guerrillas and kidnapers didn't operate on a main highway in broad daylight.

But Hargrove had been dreadfully mistaken. Despite his assertions that he worked for a non-profit agricultural agency, he was forced at gunpoint into a vehicle and driven into the mountains by communist narco-terrorists who believed he was a valuable hostage.

For almost a year, Hargrove was held by the guerillas and moved from one remote location to another. To maintain his grip on sanity, he recorded his daily experiences in makeshift journals: in a checkbook; on children's notebooks; and on scraps of paper scrounged during his ordeal.

Hargrove's story, originally published in 1995, was the basis for the major motion picture Proof of Life, starring Russell Crowe and Meg Ryan. Now available again in paperback, Long March to Freedom chronicles one man's spirited determination to hang onto life and faith amid nearly impossible circumstances.
