Edward A. Malloy C.S.C.

Monk's Tale: Way Stations on the Journey Edward A. Malloy C.S.C.

In *Monk's Tale: Way Stations on the Journey*, Father Malloy carries forward the story of his professional life from when he joined the Notre Dame faculty in 1974 to his election as president of Notre Dame. His journey in this volume begins with the various administrative responsibilities he undertook on the seminary staff and in the theology department during his early years as an administrator and teacher, and continues through his tenure as vice-president and associate provost, up to the process that led to his selection as Notre Dame's sixteenth president. He reveals his day-to-day responsibilities and the challenges they presented as well as the ways in which his domestic and international travel gave him a broader view of the opportunities and issues facing higher education.

Less time-bound than the first volume, this second volume of Father Malloy's memoirs provides an account of his many commitments as a teacher, scholar, and pastor; as a staff person in an undergraduate residence hall; and as a board member in a wide variety of not-for-profit organizations. His account includes a chapter devoted to his fifteen years as a participant in the process that led to *Ex Corde Ecclesiae*, Pope John Paul II's apostolic constitution on Catholic higher education, and its implementation in the United States.

Disarming in its candor, laced with anecdotes, and augmented with photographs, *Monk's Tale: Way Stations on the Journey* captures the personality and tenacity of a young priest as he assumes ever greater responsibilities on a path toward the presidency of Notre Dame.

"This middle volume of Monk Malloy's projected three-volume memoir posts abundant proof that the examined life is surely worth living. Readers will meet an internationally minded priest, professor, scholar, dormitory chaplain, adviser, and administrator on his way to the presidency of Notre Dame. he exemplifies what it means to be a priest in American Catholic higher education. The forthcoming third volume will tell the story of what went on between his ears and across his desk during his eighteen years as president of the University of Notre Dame." -- **William J. Byron, S.J., St. Joseph's University, Philadelphia**
