Our Final Hour: A Vision of the Future Richard Sotelo Berlanga

Former Mafia Boss Richard Sotelo Berlanga Second in command of the Sotelo/Berlanga crime family

My name is Richard Sotelo Berlanga and I was born in King City, California, in 1946. At the age of 30, I was second in command of one of the largest crime families in the state. The Sotelo/Berlanga crime family controlled approximately 70% of all of the heroin and cocaine that was being distributed in Northern California and Nevada. Approximately 28 years ago, I had an encounter with Christ that changed the course of my life forever. Six months before everyone in the "family" was busted and jailed, I had accepted Christ as my savior and was given a vision of the future by God that was so real to me at the time that I voluntarily gave up a five million dollar a year lifestyle, gave up homes and cars and money, and walked away from that life. I'm not proud of my past nor can I do anything to change it. However, I can do something about the future and that is the reason for this book. God gave me a vision of a catastrophe that is about to come upon the whole world. This book describes what's going to happen and how to prepare for it.

Abigail Shelton:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Our Final Hour: A Vision of the Future can make you experience more interested to read.
