Reservoir Dad Clint Greagan

"If David Sedaris had got married and had kids, he would have been Reservoir Dad. Fall-on-the-floor funny, sharp, witty and just a little bit sexy." Best Australian Blog 2013 judge Kerri Sackville sums up the feelings of the legions of fans of Reservoir Dad, aka Clint Greagan, a stay-at-home dad who tells it like it is and makes us laugh out loud—and sometimes cry, but in a good way. A wickedly funny and irreverent chronicler of real life in today's parenting trenches, whether he's making us choke with laughter or "scrisper" (a scream, tempered by a whisper, vital to surviving wrangling four little boys in planes, trains, automobiles, and supermarkets), it's easy to see why his star is rising. Women love him and men admire him for keeping it real and doing his best to man up, even (and perhaps especially) when he fails, sometimes spectacularly. In *Reservoir Dad*, he finally shares the whole enchilada. The result is a laugh-out-loud, refreshingly down-to-earth and moving modern-day love story that reminds us of what really matters amongst all the chaos and craziness.
