"Well, girls..." Sarah said, sinking down to sit on the carpeted floor of the elevator. "What are we going to do while we wait for the repairmen?"

Wanda sputtered in delight. She couldn't believe that Sarah had said something like that. Maybe there were interesting people in the building after all.

"It is getting kind of hot in here," Sarah said, shrugging her shoulders. "Why don't we sit here nude and play some cards. That ought to set the repairmen on their ears when they get here. Can you imagine their faces when they open the elevator doors and find us naked?"

Lisa giggled. The idea was simply outrageous. She felt like doing something outrageous for a change.

Lisa took a deep breath. Then she slipped out of her dress and tossed it in the corner. "I'm willing to give those repairmen a treat," she giggled. "I can hardly wait to see their faces."

Wanda giggled too. "Count me in," she decided. "I just hope that this elevator doesn't open up into the lobby. There's going to be a lot of shocked people if they bring it straight down."

Left sexually unsatisfied by her husband, Lisa finds herself wondering about all those dirty deeds other lucky women get up to. So when she spies her wild neighbors going at it like rutting rabbits it sends shivers of forbidden anticipation racing through her hot body. And she's not alone in those desires for fellow building tenants Wanda and Sarah are exactly of like mind and wanton way. What will the trio do when they find themselves trapped in a faulty elevator? And how will they handle the lucky repair man that comes their aid.

What follows is a bacchanalian display of lewd lusciousness as each woman convinces their partner to embark on a swinging escapade in a group-menage extravaganza. How far will the trio go and what buttons will they dare to push.

Written in an abashedly graphic prose and featuring all manner of libidinous deed and device, including same-room full-swapping, multi-partner rutting, mutual gamahuching, and every position in between, the wanton wives of this apartment block are about to get very familiar with each-other.
