Lay Your Sleeping Head (The Henry Rios Novels) Michael Nava

Thirty years ago, *The Little Death* introduced Henry Rios, a gay, Latino criminal defense lawyer who became the central figure in a celebrated seven novel series. In a brilliant reimagination of *The Little Death*, *Lay Your Sleeping Head* retains all the complexity and elegance of the plot of the original novel but deepens the themes of personal alienation and erotic obsession that both honored the traditions of the American crime novel and turned them on their head. Henry Rios, a gifted and humane lawyer driven to drink by professional failure and personal demons, meets a charming junky struggling to stay clean. He tells Rios an improbable tale of long-ago murders in his wealthy family. Rios is skeptical, but the erotic spark between them ignites an obsessive affair that ends only when the man's body is discovered with a needle in his arm on the campus of a great California university. Rios refuses to believe his lover's death was an accidental overdose. His hunt for the killer takes him down San Francisco's mean streets and into Nob Hill mansions where he uncovers the secrets behind a legendary California fortune and the reason the man he loved had to die.

From reader reviews:

Karla Whisenant:

Often the book Lay Your Sleeping Head (The Henry Rios Novels) has a lot details on it. So when you read this book you can get a lot of profit. The book was published by the very famous author. The author makes some research just before write this book. This kind of book very easy to read you can obtain the point easily after scanning this book.

Holly Taylor:

Playing with family in a park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, then why you don't try issue that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Lay Your Sleeping Head (The Henry Rios Novels), you are able to enjoy both. It is very good combination right, you still wish to miss it? What kind of hangout type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its called reading friends.

John Hickman:

Many people spending their time frame by playing outside together with friends, fun activity along with family or just watching TV the entire day. You can have new activity to invest your whole day by reading a book. Ugh, ya think reading a book will surely hard because you have to bring the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smart phone. Like Lay Your Sleeping Head (The Henry Rios Novels) which is keeping the e-book version. So , try out this book? Let's notice.

Joan McCorkle:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Lay Your Sleeping Head (The Henry Rios Novels) can make you sense more interested to read.
