Nelson: The Sword of Albion (John MacRae Books) John Sugden

The most authoritative and intimate portrait written of Horatio Nelson

In this epic biography of British history's most celebrated naval commander, acclaimed historian John Sugden separates fact from myth to offer a powerful portrait of the military hero of Trafalgar.

As was true of the Sugden's riveting account of Horatio Nelson's early years (*Nelson: A Dream of Glory*, 2005), this comprehensive life of Lord Nelson is built from largely overlooked primary documents, letters, and diaries that reach across two centuries to invite us to share Nelson's multifaceted life in the Napoleonic Wars.

The Sword of Albion offers the sweep and intimacy of first-rate historical fiction?revealing the interior lives, for example, of Lord Nelson's wife, Fanny and family and the caring and more passionate Emma, Lady Hamilton, who nursed the war-weary hero back to health in Naples and London after his brilliant victory over the Spanish fleet at Cape St. Vincent in 1797 and the stunning defeat at Tenerife that cost Nelson his right arm.

Today's reader comes to understand that every obstacle in Nelson's path was attacked head-on with an Achilles-like ferocity and resolve. Yet his life was no steady upward trajectory; it was instead plagued by injuries and debt for the commoner admiral in a royal navy and English society dominated by lineage and property. As Sugden points out, "His life was a mission with the essence of a tour de force, hurrying toward a bloody climax that would change the fate of empires."

Billy Smith:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Nelson: The Sword of Albion (John MacRae Books) can make you really feel more interested to read.
