**Not One Drop** Elmer M. Haygood

Water was the primary element for the creation of the heavens and the earth and will also be the primary element for their destruction. This book will explain how God manipulated the simple molecule of water to perform deeds for and against mankind in the Bible and how he will manipulate water in the end to unravel our solar system. The Bible from Genesis to Revelations reveals that water is not only the thread of natural life but is also intertwined with our spiritual life even in eternity.
