Out of Ordure: The Fairies (Volume 1) Ramon Terrell

For countless ages, fairies have existed in human lore as protectors of children, sprinklers of magic dust, and bloomers of flowers. Yeah well, fairies have other jobs, too. Enter Fecanya, Ordure Engineer at Fey World Maintenance Services. She hates her job. Not that anyone who processes ... “leavings,” would, but hey, you wanna trade? When news of an impending meltdown at a wastewater treatment facility, and a messy war between two gorilla factions (ever seen a gorilla projectile?) arrives at the office, Fecanya must use her many talents to prevent both disasters. But is there a mischievous hidden presence behind this? With the threat of a city covered in filth of epic proportions, and a jungle at the brink of great ape warfare, it will take more than a visit with her stuffy satyr therapist for Fecanya to prevent a disaster and unmask the hidden enemy, before the “leavings” hit the fan.
