Grenuord

Francesca Ghermandi

Grenuord Francesca Ghermandi

A surreal crime-thriller from an Italian master.

This original full-length graphic novel by Italian comics superstar Francesca ("The Wipeout," "Pastil," "Pop. 666" in *Zero Zero*) Ghermandi combines her trademark surreal graphics (executed in stunningly subtle pencil tones this time) with a hardboiled Kiss-Me-Deadly style paranoid thriller. Fleeing his previous life as a factory worker, buffeted by his miserable job, his cruel co-workers, and his overbearing girlfriend, our hapless protagonist, George Henderson, has just arrived in a new city to start over: Grenuord. But Grenuord, rocked by terrorist attacks and therefore in full police-state alert mode, does nothing to assuage George's paranoia—especially as strange occurrences begin to accumulate, including a sinister man who, under the guise of checking George's stove, discovers (and absconds with) a toxic glow-in-the-dark substance from his basement, an abusive neighbor, and a beautiful but elusive hitchhiker with a mysterious past—oh, and did we mention that George is actually dead from page one? Twists and turns abound in this stunningly unique graphic novel.

From reader reviews:

Maria Tate:

The book Grenuord can give more knowledge and information about everything you want. Exactly why must we leave a very important thing like a book Grenuord? A few of you have a different opinion about reserve. But one aim that will book can give many facts for us. It is absolutely right. Right now, try to closer with your book. Knowledge or details that you take for that, you may give for each other; you are able to share all of these. Book Grenuord has simple shape nevertheless, you know: it has great and big function for you. You can seem the enormous world by open up and read a guide. So it is very wonderful.

John Edwards:

Reading can called mind hangout, why? Because while you are reading a book specifically book entitled Grenuord the mind will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely might be your mind friends. Imaging every single word written in a guide then become one web form conclusion and explanation that maybe you never get just before. The Grenuord giving you an additional experience more than blown away the mind but also giving you useful data for your better life in this era. So now let us explain to you the relaxing pattern at this point is your body and mind will likely be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary paying spare time activity?

Mark Johnson:

A lot of book has printed but it is unique. You can get it by internet on social media. You can choose the most beneficial book for you, science, comedy, novel, or whatever by searching from it. It is named of book Grenuord. Contain your knowledge by it. Without leaving behind the printed book, it might add your knowledge and make anyone happier to read. It is most significant that, you must aware about guide. It can bring you from one location to other place.

Veronica Turner:

Many people said that they feel bored stiff when they reading a guide. They are directly felt it when they get a half areas of the book. You can choose often the book Grenuord to make your own personal reading is interesting. Your own personal skill of reading ability is developing when you including reading. Try to choose basic book to make you enjoy to see it and mingle the opinion about book and studying especially. It is to be initially opinion for you to like to start a book and examine it. Beside that the e-book Grenuord can to be your brand new friend when you're experience alone and confuse with what must you're doing of their time.
