High Expectations Are The Key To Everything "This book isn't about how to bring out the best in others; It's about how to bring out the best in YOU!" Each and every one of us deals with challenges in our lives that interfere with the achievement of our goals. Why is it that some people always seem to land on their feet, while others fall down crippled under the weight of life's obstacles? Why do you think one average person experiences great success in life, while another average person doesn't? In almost all cases both individuals started out with similar capabilities, talent, and resources. So what is the difference? I believe those who succeed expect nothing less than success; they approach problems as opportunities, they have high expectations, and they triumph! They are driven by a can-do attitude. They begin every challenge they face with the belief they will succeed in the end. In this inspirational book, Michael Bergdahl will explain how he and his wife Sheryl overcame adversity and achieved their goals in life; he'll explain how they did it and how others can do it too. This Book Is About Self-Motivation: How YOU Can Overcome Life's Challenges How YOU Can Control Your Own Destiny How YOU Can Reach Your Full Potential
