A compilation of poetry, reflections and essays this book is written in a style showing the challenges that the Lesbian Christian faces in living an open life, while also seeking to live a life of faith. It is the author's intent that the book may assist the lesbian reader in identifying the goodness in her own life, and also be a book to be shared with parents and friends in order that issues of faith can be seen alongside the gift of being a lesbian. Ms. Whitley received her M.Div. from Lutheran Theological Southern Seminary in Columbia, SC.
