**From the creators of the eponymous viral Tumblr comes a single day with your favorite authors in one Twilight-Zone-esque Starbucks...**

Ever wonder which intricate, elaborately-named drinks might be consumed if your favorite authors and characters wandered into a Starbucks? How many pumpkin lattes J.K. Rowling would drink? Or if Cormac McCarthy needed caffeine, which latte would be laconic enough? Look no further; LITERARY STARBUCKS explores such pressing matters with humor and erudition. Set over the course of a single day, and replete with puns and satirized literary styles, the three authors go darker, stronger, and more global than the blog in book format, including illustrations by acclaimed *New Yorker* cover artist and cartoonist Harry Bliss.
