The Hidden And Untold History Of The Jewish People And Ethiopians Ph.D., Fikre Tolossa

This book is about the hidden, forgotten and hitherto untold history of the Jewish nation and Ethiopians. It is about kinship and the longest friendship in the world dating back to the days of Abraham, the father of the Jews, and Melchizedek, the father of Ethiopians, high priest of the Most High God, King and builder of Jerusalem, 4000 years ago. It reveals with compelling evidence the history of the Jewish people found in ancient Ethiopic documents lost to the Jews and the world at large known as THE BOOK OF THE WARS OF THE LORD and JASHER, as well as the Bible and other literature. It is expected to contribute to and complete the otherwise incomplete Jewish history.
