'He had everything he desired, save for one. The thing he desired most. His half sister. His Grace'. Madeline Monarch knew there was something dangerous about her stepson Griffen, yet she never thought he would abuse her young daughter Grace. To save Grace from Griffen's incestuous desires, Madeline has no choice but to run away. Certain that the wealthy Monarch family are close behind her, Madeline must go to extreme lengths to stop them finding Grace. Years later, Skye Dearborn has no memory of her life as Grace Monarch, but she does know someone is after her. Unaware that her brother's love and resolve have grown perilously since the day she left - or of how close he is to finding her - Skye is in more danger than she ever imagined.
