Best Friends Forever is based on a True Story. My son Luke had suffered with Asthma all of his life, it was what caused his unfortunate death in 2004. As there are thousands of children admitted to hospital through asthma attacks which the majority of them could be avoided I decided to write a children's story about two boys who both suffer with Asthma, one of the boys Hayden takes all of his inhalers on a regular basis and Luke who doesn't like taking his brown inhaler and will do anything he can to get out of taking it. The two boys have a few adventures together and the book tells how Asthma affects both of the boys. Hope you enjoy it.
