A crocodile's day involves a lot more than swimming and basking in the sun! From the time they awake before the sun rises there's much to do, starting with getting dressed, eating breakfast, and brushing and flossing their many teeth. Before they're tucked safely back in bed at night, they find plenty of time for raucous reptile romps. The crocodiles' playful antics subtly reinforce the importance of good behavior and good habits. Rae Mate's whimsical illustrations enhance the rhythmic, easy-to-follow text.
