The classic turfgrass management handbook, updated with new developments in the field

Fundamentals of Turfgrass Management is the bestselling guide with expert coverage of basic turfgrass science and all aspects of practical care. Now in its fifth edition, this industry favorite offers the latest information on growth, nutrition, herbicides, insecticides, and fungicides, as well as new chapters discussing shade stress and light requirements and the benefits of turf. Though written at an introductory level, this book provides experienced turf managers with the most current thinking and new developments in wide range of topics, such as fertilization, grass selection, pest management, plant growth regulators, sports turf management practices, soil testing, and water quality. For students and experienced professionals alike, this book provides a thorough and well-rounded reference with everyday utility.

Today's turf managers must have detailed knowledge of agronomy, botany, entomology, horticulture, pathology, and business management. This book brings these diverse fundamentals together into a single volume and will help you to:

- Master the art and science of turfgrass care, cultivation, and management
- Learn best practices for mowing, fertilizing, soil health, irrigation, and more
- Identify, manage, and control insect, disease, and weed pests
- Examine the professional management of sports turf, golf courses, lawns, and sod

Turf management is a \$70 billion industry that reaches into sports, tourism, land management, real estate, and more. The care and maintenance of high quality turf requires careful consideration and monitoring of many variables, and both strategic planning and quick action are needed to stay ahead of threats from weather, pests, traffic, and more. *Fundamentals of Turfgrass Management* provides clear guidance and comprehensive coverage of all aspects of the industry, with the latest information all turf managers need to know.

From reader reviews:

Ricky Hayes:

In this 21st millennium, people become competitive in every way. By being competitive now, people have to do something to make these individuals survive, being in the middle of the crowded place and notice by surrounding. One thing that sometimes many people have underestimated that for a while is reading. Yep, by reading a reserve your ability to survive increase then having chance to remain than other is high. To suit your needs who want to start reading some sort of book, we give you this specific Fundamentals of Turfgrass Management book as nice and daily reading e-book. Why, because this book is usually more than just a book.

Maria Smith:

A lot of people always spent their free time to vacation or even go to the outside with their family members or their friend. Did you know? Many a lot of people spent their free time just watching TV, or playing video games all day long. If you want to try to find a new activity here is look different you can read the book. It is really fun for yourself. If you enjoy the book you read you can spend 24 hours a day to reading a reserve. The book Fundamentals of Turfgrass Management it doesn't matter what good to read. There are a lot of people that recommended this book. They were enjoying reading this book. If you did not have enough space to develop this book you can buy the e-book. You can more quickly to read this book from the smart phone. The price is not too costly but this book features high quality.

Phyllis Belser:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Fundamentals of Turfgrass Management can make you really feel more interested to read.

Pedro Gonzales:

What is your hobby? Have you heard that question when you got students? We believe that that question was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you know that little person such as reading or as looking at become their hobby. You need to know that reading is very important along with book as to be the issue. Book is important thing to include your knowledge, except your personal teacher or lecturer. You will find good news or update in relation to something by book. Amount types of books that can you decide to try be your object. One of them is niagra Fundamentals of Turfgrass Management.
