Meeting Him on His Way Back: The Case for the Post-Trib Rapture Bob Eson Jr.

Evangelical Pre-millennialists agree with each other on many details about the events of the end times, but there continues to be a fierce debate about the time of the rapture. Bob Eson, Jr. lays out a clear case for the merits for believing that the rapture will be after the Tribulation. He defends that position against two other popular views of the time of the rapture, Pre-Trib and Pre-Wrath. Eson's belief is that at the time of the rapture, Jesus will not be meeting the church on their way up. Instead, the church will be meeting Him on His way back.
