ONE HEART. TWO LOVES. ONE CHOICE.

Seattle native Holly Fisher is smitten by Lancaster County, its simplicity and her long lost relatives. In the sequel to bestselling *Leaving Lancaster*, Holly embraces the Amish culture, learning to slow down to see what - and who – really matters.

Meeting the family that her mother had kept hidden from her, Holly comes face to face with her real life and blood legacy. She also falls for the charming Zach, a handsome Mennonite veterinarian who is everything she's ever wanted in a husband: confident, kind, successful, and authentic. And Zach proposes marriage. Is this too soon? Is this the right choice? Mother and Amish grandmother think she's rushing into too much of a lifestyle change. Holly is in love with Zach and that precludes everything. Until she meets an attractive Amish man. And an old suitor shows up.

Pennsylvania Patchwork is the moving, richly told story of one woman's heart, her faith and trust, and the choices she makes. Never easy, but one choice can change your destiny.
