Thomas Aquinas

Questions on Love and Charity: Summa Theologiae, Secunda Secundae, Questions 23–46 (Rethinking the Western Tradition) Thomas Aquinas

A fresh translation of *quaestiones* from the *Summa theologiae* of Thomas Aquinas, edited by Robert Miner. This volume provides direct access to the medieval theologian's deepest thinking about the supreme goal of human life—blessedness—and the virtue most intimately related to this goal—charity. The edition also contains Aquinas's treatment of charity's effects—love, joy, peace, and mercy—and the vices opposed to them, such as hatred, envy, and war. Featuring five supplementary essays by noted Aquinas scholars, the volume will enable readers to engage more thoroughly with the thought of Thomas Aquinas.
