Successful Project Management Jack Gido, James P. Clements, Rose Baker

Teach students how to work successfully in today's project management environment with Gido/Clements/Baker's SUCCESSFUL PROJECT MANAGEMENT, 7E. This best-selling text details how to organize and manage project teams -- from planning and scheduling to cost management. Revised chapters align with PMBOK (Project Management Body of Knowledge) to ensure best practices. The book covers project constraints, stakeholder issues, the project charter, and how projects support an organization's strategic plan. Learning features reinforce concepts critical to project management success. Students practice effective communication while new cases inspire discussion and debate, and new real-world vignettes demonstrate how to apply concepts in the workplace. New MindTap digital resources enhance each chapter with videos, quizzes, and case animations. Students also work with today's popular Microsoft Project 2016. Find everything your students need to manage projects effectively in business today.
