What goes on behind closed doors? A doorway is both practical and a philosophical metaphor. Doors keep out the undesirable but they also open out onto the wide world. These colourful and timeless images invite the viewer to contemplate the comings and goings of Italians as witnessed by these inanimate but important everyday objects. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
